| CMX442 | MQ MX Subcommittee | 12.1, 12.4 | 12.1 Pre 90 Women - All Powers 12.4 Pre 90 Women - All Powers | <p><u>Rule Change:</u> 12.1 Pre 95 Women - All Powers 12.4 Pre 95 Women - All Powers</p> <p><u>Rationale:</u> The Womens's class is always a difficult class, at both Championship and State/Club level to get reasonable rider numbers. Opening the class up to the highest eligible category makes getting the numbers better.</p> | <p>CMXC approve this change. Alter 12.1 and 12.4 to reflect pre 95, additional alteration to Classic class 12.1 and 12.3 to reflect Evolution</p> |

| CMX443 | Ross Edwards | Cameras | All Disciplines, General Rules, Cameras Cameras may be fitted to the motorcycle provided they are securely mounted. Camera mounts are subject to approval by the Chief Scrutineer. Helmet cameras are not permitted unless the camera is integrated into the helmet, by design of the manufacturer. | Rule Change: All Disciplines, General Rules, Cameras Cameras may be fitted to the motorcycle provided they are securely mounted. Camera mounts are subject to approval by the Chief Scrutineer. Helmet cameras are not permitted unless the camera is integrated into the helmet, by design of the manufacturer. Cameras mounted to any part of the body are not permitted. Rationale: After the banning of helmet cameras I have noticed a trend towards and have been asked if chest mounted cameras are permitted. Although not banned specifically, it is of great concern from a safety point should a rider crash and land face first on any track surface. A ban on body mounted cameras to go along with the ban on helmet cameras would remove the safety concern. | The Commission asks MA to provide some data on injuries and any other information that support the rule change. |
| CMX444 | Grant McLennan | S1 Maico | S1 Maico is currently approved for Evolution Class | The eligibility of the bike has been questioned and evidence provided in support of its eligibility. Note CMX412 and the original decision. | *Kevin Mortimer sat out the conversation due to a conflict of interest. New evidence questioning the eligibility of the S1 Maico is unsubstantiated. The S1 is eligible to compete in the Evolution class. |
