

## 2010 ASBK National Rider Number – Application Form

Riders need to register their number with Motorcycling Australia before every season in order to be guaranteed that number for the season. This registry is only for the 2010 Australian Superbike Championship.

**Please Note** – MA does not register numbers for junior riders.

Riding numbers 1 to 10 in each class of the ASBK will be allocated in that order to the competitors who finished in that order the previous year (as per 2009 GCR 15.23.1). If you wish to run on a number other than the one allocated to you an application must be made for a different number

To renew your 2009 number, you must re-apply by **31 December 2009** to secure it. From 1 January 2010, all remaining numbers will be available for all riders to use (with exception of numbers 1-10). To ensure you are allocated your preferred riding number for the 2010 racing season, please complete this form and return as soon as possible to:
