BUSINESS ARISING: COMMISSION MINUTES							
BR989	Business Arising: Track numbers (RR821) (EX4811)	RR	The Commission has received a number of queries in regard to maximum track numbers allowed under the MA Track permits for Australian Road Race tracks.	This item has been actioned and covered in C. Lawrence's report.	-	-	-

Item No.	Issue	Raised By	Recommended / Proposed Action	Decision	Rationale / Consultation	Lead	Action Date
			<p>The Commission requests all details of the formula used to work out the maximum numbers for Australian Road Race tracks, and why this number appears to differ with the FIM recommendations.</p> <p>D. White stated that this item has been delayed due to State Manager sign-off. It was stated that this document has been distributed to the State Managers again for approval with a cut-off of 23 September. It was also noted that non response results classified as approval of the minutes, however these will be clarified with the SCBs by telephone.</p> <p>A further update is to be provided at the next meeting.</p>				
BR990	Business Arising: Chapters 15 & 16 of MOMS (RR823)(EX4812)	RR	<p>The Commission enquires if Chapter 15 of the rule book also covers the HRR section in Chapter 16. There have been some queries if specific rules in Chapter 15 flow on to HRR.</p> <p>The Commission asks for a clarification as to how much of Chapter 15 of the current MOMS relates to Historic Road Racing as shown in Chapter 16.</p> <p>R. Martin/A. Weiss are to provide clarification.</p>	This item has been put back to the Commissions so that MA can make the changes as requested. No feedback has been received as yet and this item has been added to the agenda of the 2011 MoMs.	-	-	-
BR991	Business Arising: RR811 (RR830) (EX4813)	RR	The Commission enquires if the information that is repeated in the GCR's could be amalgamated into one area with reference to the separate applications.	This item has been put back to the Commissions so that MA can make the changes as requested. No feedback has been received as yet and this item has been added to the agenda of the 2011 MoMs.	-	-	-

			<p>The Commission will present examples of these repeats.</p> <p>A. Weiss to resolve the repetition in the rule book.</p>				
BR992	Business Arising: Lower Chain Guards (HRR448) (EX4595)	HRR	<p>Install lower chain guards to all Historic machines</p> <p>The Commission recommends this be included in Chapter 16 and will read: "A chain guard made of a suitable material must be fitted in such a way to prevent trapping between the lower drive chain run and the final drive sprocket at the rear wheel".</p> <p>The Board endorsed for this item to be placed on the agenda for all the Commissions with the objective of including in the 2011 MoMS.</p>	This item has been added to the 2011 MoMs.	-	-	-
BR993	Business Arising: Licence statistics (MX866) (EX4815)	MX	<p>The Commission has previously requested that they be kept up to date with monthly licence statistics. Although promised to the Commission, the information has not been received.</p> <p>The Board requested that A.Weiss actioned this item ASAP.</p>	This item has been actioned.	-	-	-
BR994	Business Arising: SCBs responses (EX4816)	MX	<p>The MX Commissioners were extremely disappointed in the small number, and content of the responses received from the SCB's and interested parties.</p> <p>It was also stated in future that after the Commission minute distribution a teleconference is to be arranged</p>	<p>This item has been noted by the Commissions and R. Martin.</p> <p>MNSW expressed their annoyance at this comment by the Commission. It was stated further that the minute template does not allow for SCB responses. It was decided that a proforma be developed for the Commission Minutes to include a comments column to</p>	It was noted further that the timeliness of minute distribution was of poor quality and this further hinders SCB responses.
